ABOUT ABEÓ (Brand Overview)

Abeó Health is a patient-centered healthcare network providing caregiver services, nurse staffing, non-emergency medical transportation, senior placement, and care coordination for families, individuals, and facilities.

We are building Abeó into a worldwide, community-driven health network that puts people before profit — delivering care that is reliable, warm, and rooted in excellence.

Our focus is simple:

Safety. Compassion. Reliability. Community.

Abeó exists to make healthcare navigation easier for everyone — seniors, disabled individuals, families, and busy facilities who need trusted support.

Tagline: Because Health Is Everything.
